Service Request Type.: BPV-National BC
Service Request No.: 2094110
Your Reference No.: ASME BALL VALVE REGISTRATION
Registered to.: CONBRACO INDUSTRIES

Dear CHUCK TYSON,

Please find enclosed the original response from BC, registered under the CRN No.: 0C10908.51.

As all jurisdictional fees are handled by the Technical Standards and Safety Authority (TSSA), you do not pay any jurisdictions directly.

Should you have any questions or require further assistance, I will be happy to assist you. For general enquiries, please contact a Customer Service Advisor at 1.877.682.TSSA (8772) or e-mail customerservices@tssa.org. When contacting TSSA regarding this file, please refer to the Service Request number provided above.

Yours truly,

Joanna Karpinski

Re: Application for Design Registration

The design, as detailed in your, TSSA SR# 2094110, for a Fitting is accepted for registration as follows:

Registered To: CONBRACO INDUSTRIES INC **CRN:** 0C10908.51

Drawing #: 89FVE4301 etc

Conditions Of Registration:

Registration addition of Valve series 89FV as per attached scope of registration sheet.

This design was registered based on a technical review performed by the province of initial registration in accordance with the Association of Chief Inspectors policy on reciprocal recognition of design review.

Reviewer's Notes:

As required by CSA B51 4.2.1, this registration expires on March 07, 2026. This CRN is valid until the expiry date as long as the Manufacturer maintains a valid quality control program verified by an acceptable third-party agency until that date. Should the certification of the quality control program lapse before the expiry date, this registration shall become void.

Contact me if you have any questions. The invoice for registration will be forwarded under separate cover.
