STERLING HEIGHTS, MI 48314

The design submission, tracking number 2018-07665, originally received on November 19, 2018 was surveyed and accepted for registration as follows:

CRN : 0E20816.52 **Accepted on:** November 29, 2018
Reg Type: NEW DESIGN **Expiry Date:** October 31, 2028
Drawing No. : SCOPE DOCUMENT 12972S-1 Rev 0
Fitting type: FILTER FR122

Design registered in the name of : HEADLINE FILTERS LTD

Description	MAWP	Design Temperature	MDMT
Internal Pressure	20340kPa (2950 psig)	200 °C	-196 °C

The registration is conditional on your compliance with the following notes:

- *The mechanical actuator is not in the scope of registration.*

As indicated on AB-41 Statutory Declaration form and submitted documentation, the code of construction is ASME B31.3.

- *This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration form.*
- *This registration is valid only until the indicated expiry date and only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date.*
- *Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.*

STATUTORY DECLARATION Registration of Fittings

In this space, show facsimile of manufacturer's logo or trademark as it will appear on the fitting.

I, Scott Hardiman, Works Manager
(name of applicant) (position title) (must be in a position of authority)
of Headline Filters Ltd.
(name of manufacturer)
located at Mill Hall Business Estate, Aylesford, Kent, ME20 7JZ United Kingdom
(plant address)

do solemnly declare that the fittings listed hereunder, which are subject to the Safety Codes Act (check one)

- comply with the requirements of _____ which specifies the dimensions, (title of recognized North American Standard) materials of construction, pressure/temperature ratings and identification marking of the fittings, or
- are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with ASME B31.3, 2016 Edition as supported by the attached (title of code of construction or other applicable document) data which identifies the dimensions, materials of construction, pressure/temperature ratings and the basis for such ratings, and the marking of the fittings for identification.

I further declare that the manufacture of these fittings is controlled by a quality control program which has been verified by the following authority, British Standards Institute as being suitable for the manufacture of these fittings to the stated standard. The fittings covered by this declaration, for which I seek registration, are

Category E, Model SSFR-122
(brief description of fittings)

In support of this application, the following information, calculations and/or test data are attached:

Scope Document: 12972s-1 R0

DECLARED before me at Maidstone in the County of Kent
(city) (province or state)
this 13th day of SEPTEMBER, 2018
(Month) (Year)
